Reliance Standard Life Insurance Company

Reliance Standard Life Insurance Company was incorporated in 1907 as the Central Standard Life Insurance Company in Chicago, Illinois. In 1967 the administrative offices moved to Philadelphia, PA and the company was renamed Reliance Standard Life Insurance Company. Rx Savings

Our valued plan members and their covered dependents can save on prescription medications at over 60,000 pharmacies across the nation including CVS, Walgreens, Rite Aid and Walmart. This Rx discount is offered at no additional cost, and it is not insurance.

To receive this Rx discount, members just need to visit us at firstrsl.com/dental-vision and sign into (or create) a secure member account where they can access and print an online-only Rx discount savings ID card.

Eyewear Savings

Plan members may receive up to 15% off eyewear frames and lenses purchased at any Walmart Vision Center nationwide. Members may also bring in their current vision prescription from any vision care provider and purchase eyewear at Walmart. This savings arrangement is not insurance: it is available to members at no additional cost to their plan premium.

To receive the eyewear savings identification card, plan members can visit firstrsl.com/dental-vision and sign-in (or create) a secure member account. Members must present the Eyewear Savings Card at time of purchase to receive the discount.

Customer Service

Our Customer Relations Department is open from 7 am to midnight (CST) Monday through Thursday and 7 am to 6:30 pm (CST) on Fridays. You can call toll-free at 800-829-3177. Your claim forms can be faxed in to (402) 467-7336. We will be happy to answer any questions you may have regarding a specific claim you have filed or to answer questions about benefits for dental procedures being considered.

Dental Network Information

To find providers near you, visit our website at www.rsli.com/dental-vision. Click on "Find a Dentist" to access our online directory and follow the step-by-step instructions.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on August 1.
Late Entrant Provision
We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

Section 125
This plan is provided as part of the Policyholder's Section 125 Plan. Each graduate student has the option under the Section 125 Plan of participating or not participating in this plan. If a graduate student does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

This form is a benefit highlight, not a certificate of insurance.
